

Dear Patients,

We at Dr. Vanek's office are proud to be part of a team whose primary mission is to deliver the finest and most comprehensive health care available today. To ensure that there is no miscommunication or misunderstanding about the insurance we take at this office, we are only in network with Cigna PPO, Delta Dental Premier, Superior Dental, MetLife PPO and BlueCross/BlueShield Dental Blue 200 and 300 plans. However, if you have an out of network insurance we can still submit the claim to your insurance company. The way this works is the insurance company will pay a percentage of your claim and you are then responsible for the remaining balance. It is also not the responsibility of this office to know what percentage your insurance company will pay. We will, however, predetermine procedures such as fillings, crowns, root canals etc. through your insurance for verification of payment. To predetermine procedures, you may wait up to six weeks for an answer from the insurance company. Hopefully this will help you to better understand the way in network and out of network insurance companies work with our office. If you have any questions or concerns, please feel free to ask us. We would be happy to answer any questions you may have.
